9. Other Services

9.1. Advance Credit

157. Advance Credit is a new Value-Added Service that allows customers with a balance below QR1 to get QR5 Advance Credit.

158. Advance Credit is available for Vodafone Prepaid customers with the following criteria:

159. Customers need to have been on the Vodafone network for 60 days or more.

160. Customers must have a balance of less than QR1.

161. Any Prepaid customers that do not fulfil the above criteria aren't able to use Advance Credit.

162. To get advance credit, you need to send an SMS with the number '5' to 97555 and QR5 of credit will be added to your Prepaid balance.

163. The SMS to activate Advance Credit costs QR1. Since you will have less than QR1 when you send the SMS then the cost of the SMS will get deducted from the QR5 that Vodafone adds to your balance. For example, if you have 50Dhs balance and send the number '5' to 97555 to get Advance Credit. Q 5 will be added to your balance and QR1 will immediately be deducted for the cost of the SMS for this service. After these two transactions you will have QR4.50 balance remaining.

164. The amount of QR5 Advance Credit will then be deducted from your next recharge. For example, if you recharge with QR35 after you have used Advance Credit then you will receive QR30 on your next recharge.

165. Advance Credit is available only twice in between recharges.

166. The validity of Advance Credit is the same as your current credit balance and Advance Credit does not extend the validity of your existing credit or bonuses in the way a regular recharge would.

167. Advance Credit can be used on any of the standard Vodafone services. You can make international, local use mobile internet, and send local or international SMS until the advance credit is used up or expired.

168. You can also buy other products from Vodafone with Advance Credit, as long as the product or service you are purchasing is less than the amount of Advance Credit on your balance. For example, the Daily Internet Pack 2.

169. You cannot transfer Advance Credit to other Customers.

170. You can activate Advance Credit whilst roaming in countries where charges can be applied in real time. For a full list of countries where you can use Advance Credit whilst roaming, please visit www.vodafone.qa/roaming

10. Service Provider Obligations

179.Vodafone shall use best endeavours to provide Customer with the Services however, due to the nature of this technology; Vodafone cannot guarantee a fault-free service.

180.Vodafone may suspend the Services: (i) in order to carry out maintenance or testing of the Vodafone Network.

181.(ii) during any technical failure of the Vodafone Network; (iii) when it is necessary to safeguard the security and integrity of the Vodafone Network or to reduce the incidence of fraud; (iv) where it is necessary for reasons of Force Majeure; (v) where it identifies an Artificially Inflated Traffic due to fraud. Vodafone shall endeavour to keep all such suspensions to a minimum and shall give Customer notice of such suspensions where reasonably practicable.

182.Vodafone is not responsible or liable for any non-performance of Services or for any degradation or deviation of the Services that can be reasonably attributed to the actions or omissions of the Customer or third parties.

11. Customer Obligations

183.Prepaid Service is for the use of the registered Customer only. The Customer may not transfer the registered Prepaid SIM card to another person without a valid transfer of number (TON) using the TON form at any Vodafone Retail Stores. Unauthorized transfer of a Prepaid SIM card may result in service cancellation.

184.The Customer must promptly notify Vodafone if the SIM Card is lost, stolen or damaged. In the event of loss, theft or damage of the SIM Card, the Customer must notify Vodafone within forty-eight (48) hours of becoming aware.

185.Porting Out:

185.1 The Customer can port their Prepaid Number but only after all invoiced charges outstanding at the time of port out request is fully paid. If charges are outstanding at the time of porting, Vodafone will inform the Customer of the amount payable and the timeframe in which that payment must be made to avoid the cancellation of the Customer's port request.

185.2 The Customer must pay all charges that have been incurred by the Customer, but which have not been invoiced by Vodafone as at the date of the port, including any early contract termination fees. Vodafone will issue the Customer with a final invoice in respect of those charges. If the final invoice is not paid within 30 days of the invoice date, Vodafone may direct the other service provider to bar the ability of the Customer to make outgoing calls (except

for calls to emergency service numbers and operator service numbers), send SMS/, access data services and any other outgoing services using the ported mobile number.

185.3 After 45 days, Vodafone may direct the other service provider to suspend the ability of the Customer to receive public telecommunications services using the ported mobile number and terminate the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.

185.4 If the Customer requests the porting of a mobile number from Vodafone and it is subsequently discovered that the port has been made in error, is fraudulent or the Customer does not otherwise have the right to port that mobile number, Vodafone may take such measures as are necessary to address this issue, including returning the ported number to the original range holder.
